AIRTUG®

The Leading Manufacturer of Quality AIRCRAFT TUGS and TRAILER MOVERS since 1974

Trailer Movers & Tugs

AIRTUG® TRAILER TUGS ALLOW YOU TO PUSH OR PULL A TRAILER INTO TIGHTER SPACES THAT MAY BE VIRTUALLY IMPOSSIBLE WITH A TOW VEHICLE

FEATURES:

- Easy to Use; Economical
- Pin Point Handling - Pivots 180 degrees or more underneath Tongue
- Reduces labor cost since it only takes one person to move a trailer
- Reduces repair cost from accidents that result from moving trailers while not having good control and good visibility
- Quickly and easily move Sales inventory
- Versatile - moves all standard ball coupler and pintle attachments
- The ball adapter is interchangeable (any ball size or pintle can be ordered)
- Custom attachments available besides ball and pintle attachments
- Ensures safe movement with our “Return to Brake” feature that absolutely prevents any unintentional movement of the tug
- Surge Break Bypass
- Electric trailer brake control available
- Heavy gauge steel frame
- HD Model Dimensions: 77” long x 36” wide x 47” tall
- Powder Coated Frame & Handle
- 30 Day Money Back Guarantee!
- 1 Year Parts Warranty

WE GUARANTEE YOU’LL LOVE IT OR YOUR MONEY BACK!
